RENEW TARC's Millage...Vote YES on Nov. 16th

Director's Corner—Mary Lynn Bisland

Thank you for supporting TARC these past 51 years! Without the generosity of Terrebonne Parish property owners, Terrebonne Arc would not be the outstanding agency for individuals with intellectual and developmental disabilities that it is today. On Saturday, November 16th, TARC's Millage will be up for RENEWAL. This millage has been in effect since 1968. Our millage helps us to provide valuable services and jobs to our individuals in Terrebonne Parish. If you are interested in displaying a **TARC Millage Renewal Yard Sign**, please pick up one today at our TARC Restaurant or our TARC Administration Building on McCord Road.

Once again, please take the time to **Vote YES** on **November 16th** to continue the help needed to make a difference in the lives of our clients and families in our community.

TARC honored Direct Support Workers (DSWs) September 9th-13th with small tokens of appreciation every day for that week. All DSW's were very happy with these various little goodies throughout the week. TARC appreciates and honors all of our staff!

Cedar Chest West's new location at 6259 West Main Street, will be OPEN on October 28th for business. This location will replace the current location and will provide a larger space for merchandise and for more clients to be employed in the community. Many thanks go to TARC's maintenance director, Rodger Shelton, Tiffany Brunet, director of TE Div. 2 and Monica Chauvin, Supervisor, TE Div. 2. for their hard work on this project!
